

Year 1	Place	Space	Scale	Environmental impact and sustainability	Interconnection
<p>All modules use an approach for assessing what children already know as well as building on the knowledge they have already acquired during their time at Chaddlewood.</p>					
<p>Where I Live</p>	<p>The children develop an understanding of what Plympton is like.</p> <p>The children will begin to identify human and features (local landmarks) in Plympton.</p>	<p>The children know that Plympton is a town in the city of Plymouth.</p> <p>The children locate features on a map of the local area and describe where they are in relation to each other using directional language.</p>	<p>The lens of the immediate area surrounding the children is widened enabling them to explore the wider world at a local level.</p>		
<p>Whatever the Weather</p>	<p>The children will be able to explain what the weather is like in Plympton.</p> <p>The children describe the different weather types we experience where we live.</p>	<p>The children will begin to understand where Plympton and Plymouth are located in the UK.</p> <p>The children will begin to understand how the weather in Plympton is affected by where we live in the world.</p>	<p>The children begin to explore weather patterns through a local lens.</p>
