### Permission letter for the following clubs:

- Film directors club**
- Film editors club**

We are pleased to announce the creation of two new film making clubs for the summer term! Both of these clubs are initially open to children in Key Stage 2 (Years 3-6) only.

#### **Film directors club, Friday lunchtimes (12:30pm-1:00pm)**

During this club your child will learn all aspects of film making, from storyboarding to lighting and effective sound. They will work together in order to formulate an interesting story through the planning process and then film their ideas using a variety of different filming techniques.

#### **Film editors club, Friday after school (3:20pm-4:30pm)**

As part of this club your child will use the film clips created previously in the day. They will learn how to edit films using professional software and gain an understanding of how to add sounds and visual enhancements in order to improve outcomes.

Spaces are extremely limited. Initially, in order to facilitate effective group work, both clubs will run with a maximum size limit of 5. If interested, your child is welcome to apply for both clubs and we will confirm whether or not they have a place on or before Wednesday 17<sup>th</sup> April 2024.

Please note that both of the clubs run every week (including the last week of the summer term) until the end of the academic year.

This club is free to attend. It is also important to understand that, by signing your child up to the club(s), you give your full permission for your child to potentially feature in them. These films may be published externally, including occasionally being submitted into national competitions.

I hope that the information above is useful. However, should you have any further questions then please do e-mail [ajensen@chaddlewoodschool.org.uk](mailto:ajensen@chaddlewoodschool.org.uk). I look forward to seeing your child soon!

*Adam Jensen*

**Please note that you can complete an online version of this permission slip at [www.bit.ly/4abH75h](http://www.bit.ly/4abH75h)**
