Admission of children below compulsory school age⁴⁹ and deferred entry to school

2.16 Admission authorities **must** provide for the admission of all children in the September following their fourth birthday. The authority **must** make it clear in their arrangements that, where they have offered a child a place at a school:

- a) that child is entitled to a full-time place in the September following their fourth birthday;
- b) the child's parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and
- c) where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

Home visits

Home visits will be this term in July and we have suggested home visit times and dates, to group the visits in areas- due to logistics. If there is a problem with the date or time shared, please let us know and we will do our best to change it.

Parent workshops

There will be a parent workshop during the afternoon of Thursday 14th September.

Time: 2.30 -3.00 - a creche will be provided for your children if required.

We would like to share with you how we will be teaching your child to read and write. This will include how the scheme Read Write Inc is used in Foundation and how you will be able to support your child in this journey.

The workshop will also give you the opportunity to ask any questions you may have about your child at school.

What can you do to get your child ready for school?
