

Subject Impact Review

KWL Grid Impact

What were the cohort strengths from the 'Know' section from the KWL grid?

What were the common questions children could answer? Are there any particular aspects of your classes subject knowledge or skills which were weaker? What would you recommend the previous years teachers to focus on and adapt their planning?

Short Term Adaptation to Planning. What changes DID you make to your planning as a result of the KWL grid?

Long Term Adaptation to Planning. What changes WILL you make to your planning for next year as a result of the KWL grid?

Retrieval Grid One Impact

What have been the strengths of the first week of learning? What did children securely understand?
