## Film Makers permission letter – spring 2026

We are pleased to announce the creation of a brand-new film making club for the spring term! These merge together our previous 'Film Director' and 'Film Editor' clubs so that attendees can get a much richer experience of the overall film making process – from initial creative vision to editing the final footage.

As part of Film Makers, the children will use professional software, including the use of the very latest technology and Artificial Intelligence.

Film Makers will run every Tuesday (starting on Tuesday 13<sup>th</sup> January) from 3:20pm – 5:00pm. The children can then be picked up from the front office.

### What will the children produce?

*Spring term* – Small scale maths 'how to' videos for our school website

*Summer term* – Promotional music video for our school community

### Who is able to attend?

Due to the nature of the club, and the teamwork involved, Film Makers will be limited to only 5 children initially. Please note that Film Makers is only open to children in Year 2 and above.

### What others things should I be aware of?

This club is free to attend. It is also important to understand that, by signing your child up to the club, you give your full permission for your child to potentially feature in them. These films will be published externally, including occasionally being submitted into national competitions.

I hope that the information above is useful. However, should you have any further questions then please do e-mail [ajensen@chaddlewoodschool.org.uk](mailto:ajensen@chaddlewoodschool.org.uk).

I look forward to seeing your child at Film Makers soon!

Adam Jensen
