Dear Parents and Carers,

I would like to start this newsletter by extending a massive welcome to all of our new children and families. This week we have welcomed our new foundation children as well as a number of other children across the school. I know they will all love their time here!

I am sure you will agree the first week has flown by! Our children have been getting used to the new routines and have also been getting straight into all of the fantastic learning that we have here at Chaddlewood. Please do ask your child about what they have been learning in school.

"Education is teaching our children to desire the right things." - Plato

Queen Elizabeth II

I am sure that we have all awoken this morning with a heavy heart after yesterday's sad news regarding the passing of Queen Elizabeth II, the UK's longest-serving monarch, who died at Balmoral aged 96.

Everyone at Chaddlewood sends their condolences to the Royal Family.
May she rest in peace.

Chaddlewood and Boringdon Primary School

A reminder that as of 1st September, Mrs King and I have been appointed the Executive Headteacher and Executive Deputy Headteacher to Chaddlewood and Boringdon Primary Schools.

This is obviously a huge compliment to the work that staff have done at Chaddlewood and the leadership capacity we have. The nature of an executive role means we will be dividing our time between the two schools to align best practice so that the children of both communities are the best they can be and reach their potential.

Our commitment to Chaddlewood remains unwavering and, when agreeing to support Boringdon, we were clear that Chaddlewood's continued success is paramount. Therefore, be assured that we have put structures in place to ensure Chaddlewood Primary School continues to thrive and excel.

MTAs needed

We are looking for new MTAs to support us at lunchtimes for 1 ¼ hours per day. We have a variety of days available so if you are interested, please let us know or complete an application form, which is in the vacancies section on the website, with more details.

Clubs

We have had a few enquiries about when clubs are after school starting. We are currently gathering all the details needed so that we are able to share this.

Eolas+ are returning this term to run two after school football clubs. Simon Smith, who is the head coach of Plymouth Schoolboys, will be leading the sessions.

Wednesday's club is football for years 1 and 2.

Thursday's club is football for years 3 and 4.

To secure your child a place and make payment, please visit the Eolas+ website:

<https://eolasplus.co.uk/category/after-school-clubs/chaddlewood-primary-school-after-school-clubs>

A school-funded tag rugby club for children in Years 3 and 4 is running after school on Fridays. Letters were sent home this week. Please complete the form and return it to Mrs Pearce or Mrs Dean as soon as possible.

Teachers will share letters with interested children; however, we will also share letters via the school email system so that parents have chance to discuss joining with their children.

Year group newsletter

Next week, you will receive you child's year group newsletter. Please do spend some time looking through this as it will give you lots of important details about what is happening in that particular year. This will include the learning for the term; homework expectations; as well as information about PE days. Class teacher email addresses can also be found on here if you have any questions.

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschoo.org.uk if your child is unwell and not able to attend school that day.

Nut allergy

We now have a few children in our school with a severe peanut allergy. Just touching another child's hand or a wrapper that has contained peanuts or nuts could cause a severe life-threatening reaction. It will really help us to keep these children safe if you ensure your child brings no nut products to school in their packed lunch. Your support would be much appreciated.

Learning Support email

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or anything else). We are always very happy to support and answer any questions. supportlearning@chaddlewoodschool.org.uk

Year 6 volcanoes

The children in year 6 enjoyed learning about their new volcanoes topic when they got to make 'foaming' volcanoes. There was lots of fun had!

Well done to Freddie!

Freddie in 4FS has been a football superstar! His team has come second place in a tournament!

As ever please contact us with any questions, compliments or concerns.

Kind Regards:

A handwritten signature in black ink, appearing to be 'MSK' with a stylized flourish at the end.

Matt Stace
Executive Deputy Headteacher
