Dear Parents and Carers,

Welcome back after the Easter break. This is such a short half-term and we are as ever, very busy.

We have had to move our class photo day this week to the 26th May due to covid so please put the new date in your diary.

We also have a meeting for present Year 5 children and their parents on 11th May to introduce our Bude Residential trip which we have been able to book for the first time in 2 years. We have made the decision to offer this trip to Year 6 children from now on; it used to be a Year 5 trip. It will take place in June 2023.

Please come along if your child is in Year 5 and find out what is involved.

We do need your help!! We are planning on making lots of 1950's style bunting to decorate the school using wallpaper!

Do you have any leftover floral or brightly coloured wallpaper that you no longer need that you could donate to us? If you have some, please can you send it into school with your child. All donations gratefully received as we are keen for the school to look bountiful (sorry!)

Updated list of Covid symptom in children

Children and young people aged 18 and under can get coronavirus (COVID-19), but it's usually a mild illness and most get better in a few days.

Symptoms of COVID-19 can include:

- a high temperature or shivering (chills) – a high temperature means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to your sense of smell or taste
- shortness of breath
- feeling tired or exhausted
- an aching body
- a headache
- a sore throat
- a blocked or runny nose
- loss of appetite
- diarrhea
- feeling sick or being sick

The symptoms are very similar to symptoms of other illnesses, such as colds and flu.

Please let us know if your child is going to be absent from school.

It is very important that we are made aware, as soon as possible, if your child is going to be absent from school. You can call the school on 337450 at any hour and leave a message on the answerphone if they are going to be absent. Thank you.

Items for the newsletter

If you would like to share with us your child's achievements out of school, we would be very happy to share them through the newsletter as we are always delighted seeing what the children are up to. 😊
