### **Well Done Ivey de Beer**

On Sunday 8th May Ivey de Beer took part in her first gymnastics competition within her club. She was really nervous to begin with but competed all the events with confidence and achieved an incredible result. She ended up winning x 3 gold medals for vault, beam and bars and a silver medal for her floor routine. She then collected the trophy for the overall highest points for the competition in her category. Well done Ivey what a fantastic achievement for your first competition!

### **Well done Josie and Evie Heard**

Both girls took part in their first gymnastics competition last Sunday. They both had 4 parts to compete in, bars, beam, vault and floor. They both did very well and both achieved medals in their groups. Josie got a gold for vault and bronze in beam. Evie got silver for vault and 2 x bronze medals for floor and bars. They have worked incredibly hard and we and Mum and Dad are very proud of them.

### **Jubilee Celebrations**

We are just putting the final touches to our plans to celebrate the Queen's Platinum Jubilee. We have chosen the **6<sup>th</sup> June** as our celebration day; so far, we have planned for:

**Red, white and blue muffi**

**A jubilee picnic lunch**

**Ice-creams with Parents/Carers/Grandparents in the afternoon of the 6<sup>th</sup> May**

**Crown making and stamp designing activities with prizes 🎁**

**We do need your help!!** We are planning on making lots of 1950's style bunting to decorate the school using wallpaper!

Do you have any leftover floral or brightly coloured wallpaper that you no longer need that you could donate to us? If you have some, please can you send it into school with your child. All donations gratefully received as we are keen for the school to look bountiful (sorry!)

### **Well done Harry**

Harry's football team - MAP under 8's took part in the Community Cup 2022 tournament on Saturday 7th May at Plymouth Argyle football stadium.

Harry's team played a total of 8 matches, coming away undefeated and crowned champions of the Under 8's Community Cup 2022.

He relished the experience of playing and scoring at Home Park and of course loved lifting the winner's trophy!

### **Updated list of Covid symptom in children**

Children and young people aged 18 and under can get coronavirus (COVID-19), but it's usually a mild illness and most get better in a few days.

Symptoms of COVID-19 can include:

- a high temperature or shivering (chills) – a high temperature means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to your sense of smell or taste
- shortness of breath
- feeling tired or exhausted
- an aching body

- a headache
- a sore throat
- a blocked or runny nose
- loss of appetite
- diarrhea
- feeling sick or being sick

The symptoms are very similar to symptoms of other illnesses, such as colds and flu.
